Celebrate Pride Month at the Library and Get 50% Off!*

The library is partnering with the UWF Gay-Straight Alliance (GSA) to bring you a fun-filled, educational** June as part of Pride Month. So much to see and do, itinerary filled-to-the-brim and overflowing with goodness.

Book Displays—all month!:
You can check out our rotating book displays (not literally rotating like a hamster ball or one of those revolving doors or like the Planet Earth, night day night day-- our goal is not to make you dizzy unless knowledge and words make you dizzy which, yes, sometimes they do so sit down and here’s some lemonade, put your feet up, here’s the remote, let me know if you’d like some Funyuns).

Dr. Walch's Brown Bag Lecture, Monday, June 24th at noon!:
Professor of Psychology, Dr. Susan Walch, will present “Sticks and Stones, Rubber and Glue, and To Know Me is to Love Me: Lessons from Mama Applied to Homophobia,” a discussion of her research on the LGBT community and homophobia. Bring your lunch (brown bag optional—though you could take a marker and decorate it with the pride flag to be capital F Festive).

Pride READ Posters, Thursday, June 27th, 10:00-1:00:
You can have your picture taken with the Pride Flag, your favorite LGBT-themed book, and made into a READ poster. We’ll email it to you; you print it out, autograph it, and hand it out to your adoring fan. Print it twice if you have 2 fans. Print it three times if you have 3 fans. If you have 4 fans, you are becoming somewhat of a Big DealTM and don’t forget the little people. You still have to turn in your books on time.

*50% off of free, whatever that would be. I’m no mathematician.
**Learning is optional but recommended.

HAN SOLO HAIKUS!
“And I thought they smelled bad on the outside!”

Last month, when I asked if people would send me Han Solo haikus, I got some! Someone said it gave him an epee-phony. Tee-hee. These are sure to make any STAR WARS fan happy:

From Kaleb Mikell:
Just before carbonite bath
Leia admits love
space cowboy replies, "I know."

Smuggler with a heart of gold
Han gets a bad rap
But know this, Greedo shot first

Han Solo doesn’t enjoy probability
never once tell him the odds

From Dylan Mathews:
Force-insensitive
Cunning smuggler turned hero
Ser Davos in space

Friend of the Wookie
Romantic undercurrents
Kessel run of love

Leia his Portia
Merchant of Corellia
Jabba his Shylock
