And the March Madness Brackets Are (Drumstick* Please!):

Vote for your faves throughout the month of March and into the beginning of April!
Vote online: http://library.uwf.edu/mm/ or in-person at our display table! Nothing makes library staff madder than when their picks start losing, but some healthy competition is good for their health. Unlike everything I want to eat right now.

*I meant drumroll but I guess I’m hungry.
